WORK EXPERIENCE

With over **18+ years of experience** in **real estate and construction**, Ramesh Agarwal has been the driving force behind **Brahmani Developers Pvt. Ltd.**, shaping it into one of the most trusted names in Odisha's real estate and civil construction sector. As **Director**, he brings a rare combination of **hands-on execution, problem-solving ability**, and a **strong industry network** that ensures the company delivers projects smarter, faster, and more reliably. Having successfully led **30+ projects** across **residential, industrial, commercial, and retail sectors**, he is personally involved in every stage of execution from design coordination and planning to on-site supervision—ensuring that even the minute details meet the highest standards.

Recognizing the recurring industry challenges of delays, cost overruns, and quality issues, Ramesh has developed a solutions-driven approach rooted in better planning, transparency, and meticulous execution. His strong **relationships with stakeholders, consultants, contractors, and authorities enable smoother collaboration, faster approvals, and more effective problem resolution**, helping Brahmani Developers stay ahead of schedule and deliver exceptional results.

Under his leadership, Brahmani Developers has become a **"Super Class Contractor"** registered with the **PWD, Government of Odisha**, and a registered **Electrical Contractor** with the Government of Chhattisgarh. The company, an **ISO 9001:2015 certified firm**, has completed **20,50,000 sq. ft.** of real estate development since 2007, with **10,00,000 sq. ft.** currently under execution. Projects include residential apartments, commercial complexes, industrial facilities, shopping malls, and educational institutions, all duly approved by **RDA, RMC, and ORERA**.

Alongside a strong in-house infrastructure featuring all plant and machineries required for infrastructure development such as **batching plants, transit mixers, concrete pumps, scaffolding systems**, and over **1,00,000 sq. ft. of shuttering equipments**.

Backed by his problem-solving mindset and a wide industry network, he brings invaluable expertise to InfraTips as Partner, where his leadership plays a key role in driving the firm's mission of delivering smarter, faster, and more reliable project management solutions.
